## Garuda Indonesia Celebrated 63<sup>rd</sup> Anniversary of Funding on January 26, 2012

TYOGA-4-JANUARY/12

Garuda Indonesia (Head Office: Jakarta, Indonesia) celebrated 63rd anniversary of funding on January 26, 2012.

The first commercial flight between Calcutta (Present: Kolkata India) – Rangoon (Present: Yangon Myanmar) was launched on January 26, 1949. (Fleet: Douglas DC-3 Dakota RI-001 Aircraft name: Seulawah, meaning "Gold Mountain") At the time of funding, the company was operating as "Indonesian Airways". However, the company revised its name to "Garuda Indonesian Airways" and the first flight as "Garuda Indonesia Airways" was operated from Jakarta to Jogjakarta with the installation of Douglas DC-3 Dakota PK-DPD on December 28, 1949.

Since then, Garuda Indonesia expanded both domestic and international network and currently connects 25 cities of 18 countries worldwide (including code-sharing flights), and 32 major cities of Indonesia (As of end of December, 2011).

In addition, Garuda Indonesia will celebrate 50th anniversary of flight operation in Japan this March. Aiming for further convenience to all passengers, the new route between Tokyo (Haneda) – Denpasar (Bali) flight is planned to launch on April 28th.

Garuda Indonesia is scheduling various campaigns as part of 50th anniversary of flight operation in Japan. Details will be announced with press release and Garuda Indonesia website.

\* Subject to Government Approval. Flights departing from Denpasar to Haneda will launch on 27 April, 2012.
